

SHELL ROTELLA® T4 Triple Protection® 10W-30

Triple Protection® technology against wear, deposits and oil breakdown

Main applications

Suitable for all on/off highway engines requiring an API CK-4, CJ-4, CI-4 Plus, CI-4 or CH-4 diesel oil in this viscosity.

About Triple Protection®

Today's demands on your engine are greater. And that demands a harder working oil, designed to deliver protection and performance under the most severe engine conditions in modern, low-emission engines as well as in older equipment.

The most technically advanced Shell ROTELLA® formulation ever

Shell ROTELLA® T4 Triple Protection® is the same Triple Protection® technology customers have come to depend on. But today, it's better than ever, with advanced additive technology that adapts to your driving conditions to protect against wear, deposits and oil breakdown. That's why it's recommended by a wide range of OEMs.

Works harder to save on fuel

Shell ROTELLA® T4 10W-30 Triple Protection® also protects your bottom line. Compared to a 15W-40, its lower viscosity allows for less resistance in the engine for improved fuel economy.

Triple Protection® performance, features & benefits:

Exceptional wear protection

Proven over millions of miles of real world performance, Shell ROTELLA® T4 Triple Protection® provides exceptional wear protection to maximize engine efficiency and prolong engine life.

Exceptional engine cleanliness

Formulated for enhanced deposit protection to help keep engines clean over the oil drain interval.

Emissions system compatibility

This formulation, exclusive to Shell, helps protect exhaust catalysts and particulate filters found on the latest low emission vehicles to help maintain vehicle emission compliance and engine fuel efficiency.

Enhanced shear stability performance

Shell ROTELLA® continues its heritage of outstanding shear stability for improved viscosity control and optimal oil pressure.
